WORK EXPERIENCE

Community Service Officer

Feb 2021 – Aug 2021

The Government of the Republic of Korea

Seoul, South Korea

- Supported public health operations during the COVID-19 pandemic by conducting and recording health checks, including temperature screenings, to ensure community safety.
- Implemented safety protocols and assisted with administrative coordination between public health departments and local residents.
- Provided support and clear communication to community members, offering guidance on health measures and procedures during challenging times.

Real Estate Administrative Assistant

Mar 2014 – Nov 2016

Mido Real Estate

Seoul, South Korea

- Greeted clients and provided key information to initiate the property purchase process.
- Prepared and processed real estate contracts with accuracy, ensuring compliance with legal standards.
- Coordinated transactions by facilitating communication between parties and ensuring timely follow-ups.
- Handled property registrations post-contract, ensuring legal compliance and a smooth transfer of ownership.

Ultrasound Department Assistant

Mar 2012 – Sep 2013

Vievis Namuh Hospital

Seoul, South Korea

- Registered and guided patients through the ultrasound process, ensuring efficient and pleasant check-ins.
- Assisted with ultrasound procedures and monitored machines to ensure accurate imaging results.
- Managed the overall ultrasound equipment maintenance, contributing to the department's efficient functioning and high quality service delivery.
- Ensured a smooth workflow and provided essential support to medical staff, contributing to a positive patient experience.
